

The simplest, fastest, and lowest priced means of achieving Health & Safety Approval with an SSIP Registered Member Scheme

From
£40
plus VAT

The PQS Pre-Qualification-Scheme™ provides independent audit and assessments services to clients and suppliers across all sectors.

Simplest

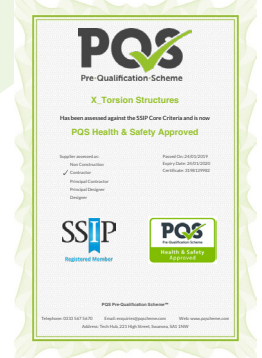

- ✓ Apply and pay online with multiple payment options
- ✓ Upload unlimited files and documents (no size restrictions)

Fastest

- ✓ Apply for standard or fast track assessment options
- ✓ Receive your certificate immediately upon successful completion
- ✓ Retrieve and utilise files from previous assessment upon renewal

Lowest Price

- ✓ **£40** plus VAT (via deem to satisfy route)
- ✓ **£95** plus VAT (1 to 4 employees)
- ✓ **£135** plus VAT (5 and above employees)

Added Value Extras:

- Access to published guidance all in one place within the PQS portal.
- Access best practice documents and templates within the PQS portal.
- Immediate access to logos for use on stationary, literature and vehicles.
- Assistance and advice offered by the PQS team, within permissible limits.

Business Benefits

- Independent demonstration of your organisational capability.
- Enhanced corporate reputation with customers and local community.
- Improved success at winning new work.

“

Great value for money. The online application process was easy to follow and the service provided by the PQS team was excellent. As a small specialist engineering company, this independent validation cements our continued efforts to work safely and considerably.
