

PAS91 Pre-Qualification Approval

+SSIP Health & Safety

From **£95** plus VAT

The simplest, fastest, and lowest priced means of achieving PAS91 Pre-Qualification with an SSIP Registered Member Scheme

PQS offers you a selection of bundled packages based on the requirements of the PAS91 pre-qualification specification. You will be awarded bronze, silver, gold or platinum approval that will demonstrate your commitment and credentials when bidding for work with new clients. All packages include health & safety approval to the SSIP Core Criteria.

All core modules are also available for individual assessment and approval.
