

The first and only approval for defib friendly communities delivered by an established inspection body.

£195
plus VAT

We are proud to be the first and only to offer Defib Friendly Community Approval for communities striving for excellence in terms of their defibrillator provisions and associated arrangements.

The Standard is accredited by the Heartbeat Trust UK, a registered charity championing defibrillator provision across the UK, and developed through the associated Defib Friendly Forum involving industry experts and service users.

Through formal recognition, communities can demonstrate their commitment to becoming “Defib-friendly” with regards to the strategic placement of 24-hour publicly accessible defibrillators, their easy discovery, and the action taken to improve by-stander involvement and greater public confidence.

The PQS Pre-Qualification-Scheme is a UKAS Inspection Body, SSIP Registered Member, and Crown Commercial Services G-Cloud approved provider.

How do I apply for Defib Friendly Community Approval?

Eligible organisations and communities should register with the PQS portal and contact enquiries@pqscheme.com for an application to be initiated.

What is Defib Friendly Community Approval?

The Standard is accredited by the Heartbeat Trust UK a registered charity championing defibrillator provision across the UK. Allowing communities the opportunity to demonstrate their commitment to becoming "Defib-friendly".

How long is Defib Friendly Community Approval valid?

Defib Friendly Community approval is valid for 12 months from the date the assessment is passed.

How quickly can my submission be assessed?

Once you submit the assessment, an assessor will be assigned and will typically undertake a review within 4 days. We also have a 24 and 48 hour fast track option.

What happens at renewal?

You will be reminded of renewal and have the choice to renew with the PQS Pre-Qualification-Scheme or let your approval expire. You are not tied to PQS and are free to make a value judgement during the renewal process. At renewal, you simply purchase another assessment for the normal advertised fee.

How long do I have to submit?

Once purchased, we would expect you to submit the assessment within 6 months. You can submit each module individually when ready.

Is there a pass or fail?

If you do not fulfil the criteria, the assessor will request further information from you. You will not be converted to FAIL if the assessment is returned to you more than once or you are slow to re-submit the assessment to us. You will not pay any additional fees if the assessment is returned to you for further information.

Are there any hidden fees?

No. You pay for an annual assessment that is valid from the date you pass the assessment. There are no membership fees.
