

A FREE cloud based management tool for consultants to manage the SSIP approval, insurance, and other pre-qualification credentials on behalf of clients

The PQS Pre-Qualification-Scheme™ is an SSIP Registered Member providing independent audit and assessments services to buyers and suppliers across all sectors.

The Free Cloud Based Consultants portal allows you to manage all suppliers, contractors, and external providers in a secure cloud based portal. The tool is powered by technology developed with support from the Government's Business Innovation programme.

Gain SSIP Approval

All PQS Registered Consultants get discounted access to our SSIP Health & Safety Approval.

Connect with Companies

Your credentials will be available for all suppliers within the PQS Portal to connect with you direct and request advice and support.
